Under Massachusetts Law, an equine professional is not liable for an injury to, or the death of, a participant in equine activities, pursuant to Chapter 128, section 2D of the General Laws. I understand that trail riding can involve being in remote areas for extended periods of time far from communication, transportation, and medical assistance. These areas may have hazards, which cannot be anticipated or controlled. I realize that accidents can happen to anyone at any time. I hereby release, today and forever, Amazing Grace Equine, ride personnel and Myles Standish State Forest — DCR from any suits or charges resulting from any accidents or losses, either caused by me or my horse, or to me or my horse or equipment. My signature indicates that I have read and fully understand this liability release.
